

Aircraft Icing

Mr. Roland Nuñez, Meteorologist-in-Charge, at Houston Center Weather Services Unit will deliver a presentation on icing and winter aviating.

After graduating from Texas A&M University in 1984, Roland began his weather career at Offutt Air Force Base as a Weather Officer. Roland has held various roles over the last 32 years ensuring pilots are made well aware of the weather conditions they will encounter.

Directions: West Houston Airport Terminal Building, Upstairs. Driving, from the East take I-10 to the West, get off at Exit-Barker Cypress. Turn North, at the fourth light take Groeschke Road to the right, at the flag turn to the left. We will be in the terminal upstairs.
